

# 2017 ANNUAL TRAINING

## How quickly a year passed by, what an exciting year of continuous Migration learning!

Our annual training will be held at our Corporate Office & Training Center in Lowell, Massachusetts. The annual training is scheduled for September 18<sup>th</sup> to 22<sup>nd</sup>. 2017. Come join us for an exciting week of learning and discussing KCi products and services for new technological releases.

This course is designed for Federal sites, Municipalities and corporations that currently have or are planning the installation of a Kingfisher Company inc. system and Authorized Kingfisher Distributors.

Taught by our factory trained instructors, we review your existing system(s), cover the latest operation maintenance, and preventive maintenance. Kingfisher technicians and engineers answer technical questions and explain the functionality of various components. This environment offers time for visiting technicians to gain experience with the panels, receive answers to questions, and learn the latest in Fire Alarm Reporting equipment and code compliance.

Training sessions will start each day at 8:00 a.m., beginning on Tuesday, September 19<sup>th</sup>, through Friday, Sept. 22<sup>nd</sup>. Training ends at noon on Friday, September 22<sup>nd</sup>, (please do not make airline departure reservations until after 3:00 p.m. on Friday, September 22<sup>nd</sup>).
